

A selection of fine art prints first shown in the exhibition *Synths* (April 2024) at Luisa Catucci Gallery, alongside works by Ken Wiatrek and Marcel Schwittlick.

Each print is a limited edition and signed work on fine art paper and comes unframed. The works are curated outputs from two different custom algorithms I developed.

If you're interested or have questions, please email me at [hi@annalucia.io](mailto:hi@annalucia.io).
